

Airteam Heating and Cooling Receives Excellence Award from Lennox Industries.

Company Earns Award for Top Quality Customer Service

Houston, Texas - Airteam Heating and Cooling based in Houston, recently received the Dave Lennox Award, the most prestigious business award given by Lennox Industries, the international heating and air conditioning equipment manufacturer. The award signifies success as well as planning and performance that go beyond everyday expectations.

“The Dave Lennox Award is one of the highest honors we can bestow on a dealer,” said Douglas L. Young, President and COO of LLI Residential Heating and Cooling. “The company gives the award to Lennox dealerships who exemplify excellence in several business practices, consistent sales growth and superior technical competence.”

Airteam Heating and Cooling, was honored at a special celebration with a personalized bronze statue of company icon Dave Lennox. Airteam Heating and Cooling has specialized in heating and air conditioning installations and service throughout Houston since 1989. The company employs 65 employees.

A worldwide leader in home comfort, Lennox Industries markets its air conditioning and heating products through a network of more than 7,000 North American dealers.
